

Checklist for New Patients

Please bring a copy of your medical records as they pertain to your current state of health.

This could include:

- **Pathology Reports**
This is important as it gives us information about the type of condition you have.
- **History and Physical Reports**
This type of report gives us a general overview of your health.
- **Imaging Reports** (i.e. MRI, CT scan, Bone scan, X-ray)
- **Recent Blood Work**
- **Surgery Reports**

If you have any questions, do not hesitate to call. We will be happy to assist you with this process.
